I have been educated and received training on the **Proper Use Of The Awning.**

Damaged Awnings are the number one insurance claim for RV rentals.

I agree that I will not use the Awning if any wind is present, and that if I leave the RV for any reason, I will retract the Awning to the stored position. I Agree to retract the Awning before going to sleep at night. Failure to retract the Awning can result in the loss of my security deposit and I may be charged more money for repairs and loss of business while being repaired.
